

The papers in this volume are dedicated to Professor Dominik Szynal, on the occasion of his sixtieth birthday, by his friends, students, and colleagues.

Dominik Szynal is the founder of the Lublin centre of research in probability, a man whose creative insight has substantially advanced the development of the theory of probability. He is also an outstanding teacher and many students were helped and guided by him to their best interests.

Happy Birthday to you, Dominik!

*Jan G. Krzyż and Zdzisław Rychlik*
